Bowness High School

January Exam Schedule, Tutorials and Credit Recovery

The exam period is an opportunity for students to work on improving and demonstrating their understanding of course outcomes. Teachers will be available to students during the day, unless they are supervising exams, and their schedules will be posted on D2L (which students have access to). Attendance will be taken in all exams, tutorials and credit recovery.

The January exam schedule and exam expectations are attached. Please look them over carefully and contact your student's teacher if you have any subject-specific questions.

Students are expected to be in the building by 8:45 am for a 9:00 am exam or 12:15 pm for a 12:30 pm exam.

At this time, buses are scheduled to run as usual on each exam day except Friday, January 24 and Monday, January 27 when there will be no express buses. Please remember, the Route 26 bus goes through Tuscany and Bowness at regular intervals throughout the day.

Please contact the main office if you have any questions.
