

## Are you a female high school student interested in engineering?

We're currently accepting applications for our Girls in Engineering program – a four-week paid placement to shadow engineers, make meaningful connections and discover what it takes to pursue a career in engineering.

### Program details

**Dates:** August 4-28, 2026

**Location:** Calgary head office or Base Plant, Fort McMurray

**Hours:** Monday to Friday from 8 a.m. to 4 p.m.

**Eligibility:** Self-identify as female and enrolled in Grade 10 or 11

Deadline to apply: **May 22, 2026**
